01 October 2016

**Hello once again from your friends in Titledown!**

Attached is your application for TTS 2017. It will be our 16th annual show, and we are always looking for new things to do. We therefore would like to give you a chance to provide us with any suggestions to make the show better for you and your customers. Feel free to comment on the form or send an email.

We are keeping rental rates the same as last year. As always remember that we are also rewarding “early birds” who send in the contract before January first of next year (01/01/2017), as rates go up \$15 per item after that date.

You can send your contract ahead via email, with the deposit following in the mail if you wish. Also, **please reply to our invitation even if you decline**, as this allows us to keep our mailing list up to date. *[If you have received the wrong application in error please let us know at the phone number or email above. Applications will also be found at our website [www.titledowntrainshow.com](http://www.titledowntrainshow.com).]*

Note that the facility will charge if you are using more than one electrical plug, so please make sure one is sufficient (with a power strip); if not, please mark as such on the application. Even if you aren’t 100% sure you need electrical, please mark it on the application so we can be ready if you do need it (there are limited areas to put you if you need an outlet). *Wired and wireless internet access, carpet, and other special needs will be handled as pass-thru costs with no markup.*

One other thing we’d like you to include this year is the approximate time you plan to be at the building for set up on Friday... this will help our staff with logistics so that it will be easier to get you in.

Please feel free to attach any additional notes or sketches that will adequately communicate your preferred setup, whether it’s a specific table arrangement, location, equipment requests, or other accommodations. **While we cannot guarantee you’ll get exactly what you want, as always TTS will make every effort to satisfy your requests.** This of course gets more difficult to do if it’s at the last minute, so please do not surprise us the day of the show (or even only a week prior) with requests that were not previously or clearly communicated; this disrupts other vendors as well as show operations. *We will send out a preliminary floor plan with your space marked so that you may have a chance to comment on it.*

We are going to plan for the “connector” space if available so if you have a preference there please let us know. As well, we’d like to give away more “stuff” to lucky attendees so if you can step it up with door prize donations we’ll make sure to make a big deal about it!

As usual we will be at Trainfest and Mad City during the coming show season. We will also send out a few emails to keep you updated and remind you if you haven’t already responded. In early March we’ll be sending out the final invoices, show information packets, name badge requests, etc.

In the meantime, we hope you have a successful show season!

Thank you!

The Exhibitor shall fully indemnify and hold harmless the Lessor and TTS as stated in the first sentence of this paragraph, whether or not negligence or other fault of TTS or their employees or volunteers contributed to, or are claimed to have contributed to, the actions, costs, damages, liability or expenses.
